The General assertion in the Dy Comm's letter is not the correct principle to be followed

Ltg 17/9/96

The Rule lays down that no man should be retired on the ground of his incompetency unless he is unfit for further service - It cannot be construed in quite effect to, in the manner suggested by the Dy Comm. Nor does it require any enquiry - ment - In the case of this & other applts. the Dy Comm can be asked to express his opinion as regards efficiency or otherwise in terms of the Rule - The Rule should not be hampered with the payment of pensions to persons who are not incapacitated for work -

I quite agree. The impression is an erroneous one that the policy of Govt is to allow all to remain in service till they are unfit - unless they are inefficient or there is retirement is on the grounds desirable - The Govt's view that they should be retired unless there

READ:—

Letter No. 281, dated 12th September 1896, from the Deputy Commissioner, Tumkur district, to the Secretary to the Government of Mysore, General and Revenue Departments.

In reply to your docket No. 3406—Mis. 734, dated the 8th instant, I have the honor to state that Krishnappa, Nagadi gumasta of Sira taluk, has expressed a desire to retire, if his son be provided with a small appointment.

2. In this connection, I beg to submit that it is undesirable, in the interests of efficient and honest work, to retain officials for short temporary periods after they have attained 55 years of age. They lose all interest in their work, with retirement impending on their heads; and Government work as well as the moral tone of the service are sure to suffer in consequence. An exception may and is, as a rule, made in the case of officials whose retirement would be a loss to the service by the grant of a year or two's grace to them. The recommendations for retirement, which I have submitted in my letters, quoted in the margin, are based upon these lines.

Nos 213, 226, 227, 228, 229, 230, 231, 232, and 233 of the 28th August 1896.

(2) Letter No. 286, dated 14th September 1896, from the Deputy Commissioner, Tumkur district, to the Secretary to the Government of Mysore, General and Revenue Departments.

In reply to your docket No. 3478—P. & A. 509, dated 9th instant, I have the honor to report that Narasinga Rao, Revenue gumasta of Maddagiri taluk, completed his 55th year of age on the 30th June 1894, and is now 57 years old. He has not applied to be retired, but for reasons given in my letter No. 281, dated 12th instant, it is desirable to retire him in the intrests of efficient work.

No. 4406-39—P. & A. 637, DATED, BANGALORE, 30TH SEPTEMBER 1896.

ORDER THEREON.—It is observed that the Deputy Commissioner's view that officials who have attained 55 years of age should be retired, unless there are exceptional reasons for retaining them, is not a correct exposition of the rule which is to the effect that no official should be retired merely on the ground of his having attained the age of 55 years, unless he is unfit for further service. It cannot be construed or given effect to in the manner suggested by the Deputy Commissioner, nor does it require amendment. The policy of Government, as stated in the rule, being to allow officials to remain in service till they are 60 unless they are inefficient or their retirement is on other grounds desirable.

2. The conditional application of Krishnappa for retirement is inadmissible; his request for an appointment for his son is one for the Deputy Commissioner himself to dispose of.

3. The Deputy Commissioner is requested to express his specific opinion in the case of these and other officials as regards efficiency or otherwise in terms of the rule, with the reasons, if any, for such opinion.
